IN LIKE A LION

## MARCH

OUT LIKE A LAMB!

My Fellow Woodcarvers,

Cabin Fever be gone!!! Go carve something! We have had a great few days of nice weather, and even though spring has yet to be sprung, we have work to do!

A large number of fairy wands need to be stripped, and we don't expect Dan and Jim to do them alone. So when we have some to be stripped, we will be bringing them to meetings so the club can help.

Due to a scheduling conflict recently noticed (Easter Holiday weekend), the April 15th Flanders Nature Center walking stick demo has been postponed. A new date will be announced as soon as it is set.

The New England Carousel Museum will be holding a new art class, watercolor painting. As soon as dates/times/pricing are announced, we will share that information.

As you will notice on the next page, we have several events coming up, and even more may be added. The club really needs people to attend these events, and not the same old group that always attends. We have a lot of new blood in the group, share your talents and participate every time you can. It is a great way to learn new talents as well.

Thank you,

Leo.....Mr. President

### Treasurer's Report from Bob M.

Current Balance \$2,557.51

### **THANK YOU ANDRE!**

Although we don't have any pictures to share here, Andre showed our club members the art of Chip Carving during our February meeting.

Hoping to get photos to share in next months newsletter.

Due to a recent resignation, the club is in an immediate need of a secretary and a CWCA Show Coordinator. Please see Leo to assist in filling the void.
