

October Meeting

Greetings!!

"The Spirit of Wood" Show is now behind us. The fall colors were great for those that made the trip to the show with the leaves dropping like snow! The birches dropping all their leaves on que, leaving a yellow blanket of Mother's Nature beauty for us to enjoy. Best to those who entered the show and to those who won ribbons!!

Rememberclean edges, clean cuts and safety first. Keep the chips falling and remember there is never a mistake, just a minor interruption on the way to a perfect carving!!

And remember other "items" can be carved! Ice, watermelons, cantalopes, and even pumpkins are foods that can be carved so, have a great time carving your Halloween or your Happy Thanksgiving pumpkin or...what ever else you want!!!!
