

## November Meeting

Greetings!

The "Novice Project" is moving forward in hopes that it will be building momentum. Volunteers are needed to run this phase of the program and remember that carving is about ALL forms of carving and that includes the making of a knife and proper sharpening. It's a lot easier to carve with a sharp knife and safer!!

Thank you to all members who spent a gorgeous day out in the fresh air stripping sticks!! All 53 of them were done in record time, completing them will be at our December meeting, along with our annual "Holiday Gathering." Remember our December 4th meeting, 10a.m-2pm. (being held at the New England Carousel Museum 95 Riverside Ave) will be our Annual Holiday Gathering!! Be part of our Gift Swap! Bring a wrapped self-carved item, then pick a number and see what a surprise awaits you! Also bring a food item to share, whatever your fancy is, and share the great refreshments and carving company!!

Just a reminder, Dues are due!! The New Year looks to bring changes with Covid19 hopefully behind us and still moving forward from the wake of it. If you have any ideas please step forward!! And as always....Remember sharp tools, clean cuts and safety!!

Have a safe and Happy Holiday Season!!  
The Pres

### Late-Breaking News

CWCA member becomes first underwater spoon carver !!!!

# In Memory of Joseph Kellaheer

1936-2022

Joe had a passion for woodcarving, making ornaments for his family and friends every Christmas and donating the results of his craft for fundraisers. He travelled across New England to attend meetings of the Connecticut Woodcarvers Association and the Green Mountain Wood Carvers where he could "make chips" with fellow carvers.

Joe was a very dedicated member who handled the coffee and doughnuts for years. While his health and mind have been failing him for years, he always remembered us and looked forward to our meetings. He will be missed.

M. Schilde, 126 Goose Green Rd., Barkhamsted, CT 06063
