

CWCA Annual Picnic

Speaking for CWCA, I would like to thank Linda Z for hosting the CWCA picnic with the Woodturners. The day was HOT, but the tents and shade made it comfortable. Thank you Chris Z for managing the grill. There were old friends and new friends. It was great to see all of you !!!

In the end, the carvers did their part in mulching Linda's lawn with the turners a distant second. The neatest of all was the quilter with not a trace to be found. In the end, good food, good friends and a good time was had by all. Thank you Linda and Chris, much appreciated by all!!

On another note, the club is desperately in need of a treasurer.

Keep your tools sharp, cuts clean, & chips flying! Happy Carving!!!

The Club picnic this year was a definite success! Great company and conversation, lots of good food, and interesting sharing among members AND between the clubs. [This was a joint event with both carvers and turners in attendance].

Below is a picture of the "Show and Yell" in progress – where each of the club members have an opportunity to talk about a recent project, or a project that is in progress. Also below is a picture of Lynda Z doing a turning demonstration – start to finish production of a *Gronk*. [A sample of her many *Gronks* can be seen on page left.].
