

♥ Connecticut Woodcarvers Association February 2019 ♥

Thanks to the "crew" that harvested 170-ish walking sticks in about an hour-for demonstrating at the Woodworking Show at the Big E. Thanks to all the members & spouses who showed up to help demonstrate at the Woodworking Show! A special thank you to Wyatt & Gabe for their participation! We had a very good turnout- and we had a lot of visitors to our booth who enjoyed our "hands on" demonstration of walking sticks. We signed up four new members.

Gary Gemino will be demonstrating at
Bushnell Sage Library in Sheffield on
Sat March 10th 2 pm

Thanks to Dale for sharing the
art of fly tying & fishing lures
at our last meeting

The Sessions Woods Tree- looking
for volunteers to help de-bark to
see what we are working with.

As I mentioned at the last meeting, Flanders has cancelled their Faerie Fest for 2019, however, they will be replacing this and their Farm Day with **Flanders Day on May 18**. We are invited to display, demonstrate and sell our carvings. Hope you can make it -- Sign Up!!

Earlier in 2018 we had a session on making name tags. Many of us know many of our members, but very few of us (if any) know everyone by name. Especially new members. I will bring some bring some name tag blanks to the next meeting. I encourage you to put your name on them (paint or wood burn) and use them. Or you can be creative and make your own!

See you at the next meeting.

Michael
