

Greetings!!! from the Pres,

With Thanksgiving behind us and a rest bit from the table, now would be a great time to start a carving!! A carving that has been trying to make its' presence from the time you picked up that piece of wood! Go for it! Let it out! Only you know what your mind has envisioned!! To help with time to do this...

The New England Carousel Museum has opened its' doors on the SECOND Wednesdays of the month from 7p.m. to 9p.m. for OPEN CARVING!! Last month, it was time to clean up before we realized how quickly the time had passed!! Please join us!!

There has been no response as to a carving project. We are always open for comments or suggestions. Let us know!!

Our December 5th meeting will be our Annual Holiday Gathering! Be part of our Gift Swap! Bring a wrapped self-carved item, then pick a number and see what surprise awaits you! Also bring a food dish to share, whatever your fancy is, and share the great refreshments and carving company!!

SO Remember: Keep your tools sharp, cuts clean, & chips flying! Happy Carving!!!

The Prez

p.s. It's that time for dues! Your support is always appreciated. Thank You!!
